# KEY Features

**The 2015 Cessna Citation CJ4 is a turnkey light jet that combines efficiency, comfort, and proven reliability. Currently on a Part 135 charter certificate, it offers revenue-generating potential for its next owner. Backed by both ProParts and TAP Blue maintenance programs, and with comprehensive logbooks documenting meticulous care from just two owners, this aircraft is as reassuring as it is capable. A smart investment that saves time, reduces costs and delivers convenience in every flight.**

\*All specifications are subject to purchaser verification.
